

**With Summer Vacation ending, its time to head
back to School and Work!**

Too busy to cook meals for you or your family?

**Just can't make it to your neighborhood Gelson's
or Bristol Farms to pick up something for dinner?**

- Chef Lance Corralez specializes in Custom Meals delivered to your door.
- From Soups, Salads, Special Diets and all types of Cuisine, Chef Lance Corralez can make your life much easier and stress-free.
- Chef Lance also can prepare lunches that will make your mouth water and eliminate time and effort trying to figure out your lunches
- He will design your own special menu-using farm to table produce & organic proteins for your taste without compromising any flavors.
- Chef Lance will make your life a little bit easier so you have more time to spend with your family.
